The Grand Comedy Company an aggregation of local talent, will go to Academy Friday and Saturday nights to give a minstrel. For many months they have been practicing energetically. The troupe consists entirely of boys of eighteen and under. They have remarkably good show and will furnish amusement a plenty.

The many friends of Amos Barlow will be sorry to hear of his death, which occurred at Huntersville Sunday morning. The deceased was about 75 years of age and had been in failing health some years. He is survived by his wife, two sons and a daughter. Burial services were conducted from the Presbyterian church Monday morning. Mr. Barlow was one of our best and most substantial citizens. We hope to be able to publish an extended life sketch next week.

A Beautiful Home Wedding

At the hospitable home of F. B. Moore Edray W. Va, gathered the friends of Mr. A. O. Baxter and Miss Lena Moore, to witness the solemnizing of their marriage at eight o'clock Wednesday evening Oct. 28.

The parlor was made fragrant and inviting by numerous cut flowers and pot plants. The beautiful strains of the bridal chorus rendered by Miss Irene Marston told the assembly the appointed hour had come. Rev. Marston the officiating minister took his position on the floor. Next came the groom and best man, little Miss Oleta Moore Gay acted as flower girl bearing a pretty basket of flowers preceding the bride and maid of honor, Miss Beesie Moore sister of the bride. Mr. Frank Baxter brother of the groom acted as best man. The bride's gown was white silk mull elaborately trimmed. The bride carried a lovely bouquet of white chrysanthemums and smilax.

The maid of honor was beautifully attired in cream. After the ceremony was over and congratulations offered the party immediately repaired to the dining room where the table was nicely decorated and a royal three course luncheon was served. About fifty invited guests participated.

The bride was the recipient of many beautiful and useful presents which shall ever remind them of the love and esteem of a host of friends.

THE QUESTION

The vital question for the people of our county is, where to get the proper merchandise, the kind that will give satisfaction at the most reasonable prices. That this store handles a better grade of merchandise than any other store in the county, is an acknowledged fact. That this store keeps prices down is known to all its customers, and the public in general, and even its competitors admit, that, "if it was not for HARRISON we would get bigger profits on our goods." I guess they would. If it was not for Harrison, they would have still been getting 7c a pound for sugar, and I don't know but that some of them are still getting it. If it was not for Harrison, the people of this county would have still been paying 40c yd for calico, 10c yd for aproningham, 12 1/2c yd for cuttings, 60 to 75c for a 50c shirt, 1.25 to 1.50 for a dollar shirt, \$2.00 for a ten dollar suit of clothes and so on at from 25 to 50 per cent more than what they are paying today.

It has been the policy of this store to keep Quality up and prices down ever since it has been in existence and it still adheres to the same policy.

This store is the proper place where you can get the best of merchandise at the most reasonable prices.

I can't afford to urge you to do your trading here, and then have you disappointed in the goods. My hardest work is to sell a customer the first time.

After that it's plain sailing. Your judgment stimulates your appreciation of my values, and you naturally continue to take advantage of my offerings.

In a letter from M. L. Moore, a native of this county, we learn that he is now at Netcong, New Jersey, in a railway construction camp with the Waltz & Reece Construction Company. He likes the country very well, but not as well as that part of Pennsylvania he has been living the past year.

We are now open and ready to receive turkeys for Thanksgiving market for which we will pay highest market price. We respectfully solicit your trade.

Saturday night was All Hallow's evening. As usual the streets and door ways were blocked with wagons and boxes, and many other harmless pranks played by the younger members. Though the youngsters worked with a will and expended a great amount of energy, their respect for property was remarkable.

Taft Elected, Bennett Defeated, Pocahontas Republican

Returns Indicate Republican Majorities in Nation and State. Pocahontas elects Republican County Officers. Gains Probably Re-elected to Congress

POCAHONTAS GOES REPUBLICAN.

As will be seen by the foregoing table, Pocahontas went bag and baggage over to the Republicans. The only thing the Democrats saved from the week Joe Buzzard for Sheriff and Frank Hill for Prosecuting Attorney. S. L. Brown, the best and most efficient county clerk in the State, was defeated by 43 votes. Taft, Glascock, and Gaines carried the county by over two hundred. There were about 2500 votes cast. The results though not altogether unexpected was still somewhat of a surprise, as the Democrats had

those engaged by the lumber companies voted the Republican ticket straight, without regard to the ability of the men offering for the local offices.

The indications are that Taft has been elected. New York has gone Republican. There are sufficient States still in doubt to elect a President without New York, but it is not probable that the Democrats can carry enough of them. Taft claims Ohio by five thousand majority.

The Democrats elected 133 Congressmen and the Republicans Ohio elects a Democratic Governor.

Nothing definite has been heard from the Congressional district but the trend is Republican, the prob-

Up to the hour of going to press, both sides are claiming the State, with indications favoring the Republicans. The Republican figures are twenty thousand majority for Taft and twelve thousand for Glascock.

The State sure for Bryan are the Solid South, Kentucky, Missouri Nebraska and Oklahoma.

Greenbrier, Monroe and Summers Counties returned their usual big majorities and elected full Democratic tickets. An unauthenticated report has it that Kanawha and Fayette have gone Democratic, but no dependence can be put in this.
